

PRODUCT: PERMO LIFE LATEX STAIN RESISTANT PRIMER

CODE: 401-1005

TYPE: VINYL ACRYLIC EMULSION

PRODUCT DESCRIPTION: Permo Life Latex Stain Resistant Primer is a premium quality stain resistant primer designed to prevent the bleeding through of redwood, cedar and fir materials. Permo Life Latex Stain Resistant Primer has excellent long-life flexibility due to its acrylic nature.

USES: Primarily developed for new exterior wooden surfaces, including shakes and shingles, rough or smooth trim, and siding. This product is not suitable for previously painted surfaces.

SURFACE PREPARATION: Surfaces to be painted must be clean and free of dust, dirt, grease and wax. If mildew is present, clean surfaces with a solution of four parts water to one part of Chlorine bleach and one-half cup of Tri-Sodium Phosphate followed with a clean water rinse.

APPLICATION AND CLEAN UP: Stir contents thoroughly and apply generously with a nylon brush, roller or spray gun. Allow first coat to dry thoroughly before applying additional coats of paint. Do not paint where temperature of air or surface to be coated is below 50 degrees F. Use as supplied in container. Clean all tools immediately after use with warm, soapy water then rinse well with clean water.
